## **Professional Profile**

Software developer in training with a solid foundation in creating technological solutions that combine innovation, efficiency, and scalability.

Interested in the development of cloud-based technologies, applying best practices and modern tools. Recognized for continuous learning, teamwork, and adaptability, with the goal of building efficient and innovative software that creates real impact.

## **Work Experience**

CENFOTEC | January 2024 – May 2024  
Software Development Student – Software Project 2  
Participated in the design and implementation of a healthcare-related software project following the Scrum methodology.  
Contributed to both front-end and back-end development using C#, .NET, and SQL.  
Used Azure DevOps for version control, task tracking, and project deployment.

## **Education**

CENFOTEC University | Bachelor's in Software Engineering (2020 – Present)  
CENFOTEC University | Software Development Technician (2020 – 2023)

## **Additional Certifications**

INTENSA | English Program (56 weeks, 840 hours of oral practice) (2019 – 2020)  
CISCO Networking Academy | Introduction to Networks (2020)  
VMedu | Scrum Fundamentals Certification (ID: 878762) (2021)

## **Technical Skills**

**Programming & Databases:** Java, JavaScript, C#, SQL, HTML, CSS.  
**Cloud & Infrastructure:** Familiar with Azure DevOps, cloud environments, and remote collaboration tools.  
**Data & Analytics:** Basic experience in database management, reporting, and data visualization.  
**Methodologies:** Understanding of Agile frameworks (Scrum) and cross-functional teamwork.  
**Problem Solving:** Analytical mindset for technical troubleshooting and process improvement.

## **Soft Skills**

Effective communication (oral and written)  
Adaptability and flexibility  
Teamwork  
Leadership  
Problem-solving

## **Languages**

Spanish (Native)  
English (C1)
